Insurance Policy

- Dermatology Surgery Center is a participating provider with most major insurance companies.
- If you Do Not have insurance or your insurance policy is Out of Network, full payment is due the day services are rendered.
- Insurance coverage is verified prior to being seen at each appointment as a courtesy to our patients. It is your responsibility to provide us with the correct information to bill your insurance. Insurance verification is not a guarantee of benefits.
- Your insurance is a contract between you, your employer, and the insurance company. We are not a part of that contract. It is very important that you understand the provisions of your policy. The patient is solely responsible for understanding their own contracted benefits. We cannot guarantee your insurance company will pay all claims. If your insurance company pays only a portion of the bill or rejects your claim, any contact or explanation should be made to you, their policy holder.
- If you are covered by one of our participating plans, your predetermined portion of charges set by your insurance plan (co-pay and/or co-insurance and deductible) will be collected at the time of service.
- If you are not covered by one of our participating plans, we will file your insurance claim for you as a courtesy. You will be expected to make payment in full at the time service is rendered.
- After we submit a claim for payment to your insurance company for services provided at your office visit, they will determine what charges they will and will not pay. Your company should send you an Explanation of Benefits form, explaining their payment and what you may still owe based on your policy agreement.
- Your insurance company will pay Dermatology Surgery Center their portion of your charges and notify us of any remaining balance that may be owed by you.
- Any balance owed by you will be charged to your account and you will receive a bill.
- If your insurance company denies our charges or does not pay us in a timely manner, we will charge that balance to your account.
- Delayed payments: If your complete bill (insurance and co-pays) is over 60 days past due, then it is your responsibility to contact your insurance carrier to assess the reason for delay.

- Outstanding bill: If your insurance carrier does not reconcile complete payment by 90 days, then the entire bill is your responsibility. If your account becomes delinquent, we reserve the right to refer your account to a collection agency and to be reported to the credit bureau.
- You may take advantage of our credit card policy and avoid having multiple bills mailed.
